

Signs of Our Times

Time

Around 6000 years after creation, as many believe that man was given 6000 years and the 7th millennium of years is the Kingdom Age when Jesus will reign on the earth for 1000 years..

Creation was approximately 4069 BC and when that is added to 2001 AD you come up with 6,070 years so the time is fully right for the end to come.

Peace removed from the earth, men killing one another

With the lust for conquest diminishing, and a new zeal for a United Earth, we find the tyrant conqueror replaced by terrorism and religious wars, fulfilling the sequential pattern pointed out in the seals of Revelation chapter 6. *Seal 1* = conqueror, *Seal 2* = Peace is removed from the earth and people killing one another, *Seal 3* = High cost of food, *Seal 4* = Death and Hell claiming 1/4th of the population of the earth. Consider the total number killed by war, terrorist attacks, abortion, and general violence. It is nearing 1/4th of the population of the earth that would be here if they had not taken place. **Hell** naturally follows the death of the unsaved.
